
CV – Andreas Skriver Hansen

Nationality Danish
Year of birth 1983
Job title Researcher
Employed in CRT since 01.09.2022

Education Cand.mag. in history and geography, Roskilde University, 2010.
PhD, 20.01.2017, University of Gothenburg, Unit for Human Geog-
raphy, Department of Economy and Society.
Titel of dissertation: Understanding recreational landscapes Devel-
oping a knowledge base on outdoor recreation monitoring in Swe-
dish coastal and marine areas.

ORCID <https://orcid.org/0000-0001-7011-2823>

LinkedIn <https://www.linkedin.com/in/andreas-skriver-hansen-9061a621/>

Research Gate <https://www.researchgate.net/profile/Andreas-Hansen-9>

Research interests

- Outdoor recreation & (nature-based) tourism
- Destination and place-based development
- Spatial planning
- Human-nature interactions
- Landscape studies and theory
- Energy planning and development
- Biosphere areas
- Green transition studies in peripheral areas
- Sustainable development
- Resilience

**Research experi-
ences and activities**

- Qualitative analyses based on interviews, case studies, obser-
vations, etc., including experience with Nvivo
- Spatial analyses, including Public Participation GIS (PPGIS)
- Fieldwork methodology
- Participation in international research and development pro-
jects, including EU and Interreg projects and Nordic research
projects
- Participation in national and international conferences and
research networks
- Organization of research conferences and workshops

- Project management from idea making to project coordination, execution and evaluation
 - Regular editor and reviewer in scientific journals (e.g., Journal of Outdoor Recreation and Tourism, Tourism in Marine Environments, Sustainability, Tourism Geographies, Journal of Ecology and Natural Environment, Planning Practice and Research)
-

Ongoing projects

- Planning of the *Nordic Symposium on Tourism and Hospitality Research 2025*, Bornholm Denmark. For more information: [Nordic Tourism Symposium](#)
- Active board member in the research network *Tourism Researchers in Denmark (TiD)*

Recent finalized projects and activities

2022-23	<i>Nationalt Center for Grøn Energi (National Centre for Green Energy)</i> . Research analyses as part of the preparations for the <i>National Centre for Green Energy</i> Nationalt, financed by EU Regional and Social Funds.
2020-22	<i>Mistra Sport & Outdoors: Generating knowledge and solutions for increased sustainability in sport and outdoor recreation</i> . Responsible for the coastal case study in the research program, financed by Mistra, Sweden.
2019-22	<i>Land2Sea: Aquatic ecosystem services in a changing world</i> . Responsible for the Swedish case study, financed by EU Belmont Biodiverse.
2018-18	<i>Project 'School creek': Like running water? Evaluation of Sportfiskarna's school project on nature focused pedagogics</i> . Co-writer of the evaluation report, financed by Sportfiskarna.
2016-19	<i>PlanCoast – Forvaltning og planlegging av arealer og rettigheter i kystsonen (PlanCoast – Management and planning of areas and rights in the coastal zone)</i> . Responsible for the Swedish case study, project responsible was NMBU, Norway.
2016-19	<i>Innovative visitor monitoring and education technology for sustainable tourism and recreation management</i> . Co-founder of research project.

PUBLICATIONS
