
CV – Jesper Manniche

Nationality Danish
Year of birth 1960
Job title Senior Researcher
Employed in CRT since 01.03. 1994

Education Cand.tech.soc. (Technological Sociology and Planning, TEK-SAM),
Roskilde University, 1993.
PhD, 16.09.2013, Aalborg University, Institute for Culture and
Global Studies, the phd-program SPIRIT.
Titel of dissertation: Territorial Knowledge Dynamics and Alternative
Food: The case of Bornholm.

ORCID <https://orcid.org/0009-0002-4915-920X>

LinkedIn <https://www.linkedin.com/in/jesper-manniche-2803291/>

Research Gate <https://www.researchgate.net/profile/Jesper-Manniche/>

Research interests • Innovation, learning and knowledge dynamics in firms, net-
works and regions
• Sustainability transition in rural areas
• Local food networks
• Sustainable and Transformational Tourism
• Entrepreneurship and business development in rural areas

**Research experi-
ences** • Quantitative statistical methods as well as qualitative analyses
based on interviews, questionnaires, case studies etc.
• Participation in international research and development projects
including EU 6th FP, Interreg-projects, and Nordic research pro-
jects
• Paper presentation on national and international conferences
• Participation in national and international research networks
• Organization of conferences and workshops
• Co-edition of special issues of scientific journal
• Reviewing for scientific journals (e.g. European Planning Stud-
ies; Industry & Innovation)

Ongoing projects

- *Klar til Energiø*. Project about preparing Bornholm firms to the construction of Energy Island, financed by Bornholm Region Municipality.
- *På Ryggen af den Grønne Bølge*. Project about elaboration of Local Development Plans for local communities on Bornholm, financed by The Danish Business Authority (Landdistrikts-puljen – Rural Development Fund).
- Co-organiser af Regional Studies Association's Research Network "*From knowledge-intensive to transformative knowledge regions*" (TRAKR). For more information: <https://www.region-alstudies.org/network/transformative-knowledge-regions>

Recent finalized projects

2021-23	<i>Nationalt Center for Grøn Energi (National Centre for Green Energy)</i> . Research analyses as part of the preparations for the <i>National Centre for Green Energy</i> Nationalt, financed by EU Regional and Social Funds.
2021-23	<i>Arbejdsmarkeder og arbejdskraft i landdistrikterne (Labor markets and labor in rural areas)</i> . Financed by The Danish Business Authority (Land-distrikts-puljen – Rural Development Fund).
2021	<i>Udviklingsplaner for Klemensker, Nyker, Aarsballe og Rø (Development Plans for Klemensker, Nyker, Aarsballe og Rø)</i> . Financed by Bornholm Region Municipality.
2020-21	<i>Bæredygtige Turismedestinationer (Sustainable Tourism Destinations)</i> . Project together with Nordregio and SDU for Danske Destinationer, Dansk Kyst- og Naturturisme, Visitdenmark, financed by The Danish Business Authority (Landdistriktspuljen).
2019-20	<i>BYG360</i> . Project on opportunities and barriers for increased recycling and reuse of building materials on Bornholm, as part of Partnership for Circular Municipalities in the Capital Region (PACK), financed by EU.
2019-20	<i>Færgetrafikanalyse Bornholm: Fragtanalyse. (Ferry transport analysis Bornholm: Cargo analysis)</i> . Project for Trafikkontaktrådet, Bornholm.
2016-19	<i>CIRTOINNO: Circular economy tools to support innovation in green and blue tourism SMEs</i> . INTERREG South Baltic project. Lead partner Pomeranian Development Agency.
2019	<i>Erhvervs-mæssige styrkeområder - Kortlægning af erhvervsstyrker i dansk erhvervsliv. (Industrial strength areas – Mapping of industrial strengths in the Danish economy)</i> . Project for Danish Business Authority (Erhvervsstyrelsen), 2019.
2018-19	<i>Certificering af bæredygtig outdoor-turisme i Norden. Betydning og potentiale for nordiske småsamfund (Certification of sustainable outdoor tourism in Norden. Importance and potential for Nordic small communities)</i> . Project (together with Copenhagen University) for "The Small Community Group" under Nordic Council of Ministers' working group for Nordic Circular Economy (NCE).
2018	<i>Erhvervsanalyse Bornholm. Status og udviklingstendenser (Business analysis Bornholm. Status and trends)</i> . Project for Bornholms Regionskommune og Bornholms Vækstforum.
2018-19	<i>Fødevareanalyse for Region Hovedstaden og Region Sjælland. (Food analysis for Region Hovedstaden og Region Sjælland)</i> .
2016-19	<i>InnoCoast: Innovation in coastal tourism: Co-creating sustainable place-based tourism experiences</i> . Research and innovation project funded by

- Innovationsfonden, Danish Agency for Science, Technology and Innovation. Lead partner: Aalborg University
- 2017-18 *Smart growth in the near-shore fishery*. Research project, financed by Nordic Council of Ministers, lead partner: Oxford Research.
- 2016-17 *Succesfulde produktionsvirksomheder i landdistrikter: Arbejdskraft, kompetencer og vækst* ("Successful manufacturing companies in rural areas: Labour, competences and growth"). Research project funded by the Danish Business Authority.
