## Current projects

- 2023-24: **Residence requirement as planning tool in rural areas – a bird on the roof or a cuckoo in the nest?** Research project financed by Rural District Fund under the National Planning Department. The aim of the project is to analyse the unique Danish planning tool, residence requirement, which has not previously been systematically assessed with a focus on rural areas. What are possible effects of residence requirements regarding the house price changes, attractive rural areas, depopulation, attraction of skilled labour, and dynamics regarding the availability of housing and local composition of residents?
- 2022-23: **"Maker's Island: Business- and rural district development combined"**. In this experimental project, CRT will map and disseminate how the makers' and their companies, organization and initiatives collaborate with and influence other parts of the island, and therefore, how the strengthening of the makers' "cluster" strengthens other parts of the rural district of Bornholm. Financed by Landdistriktspuljen and implemented in close collaboration with the Arts & Crafts Association Bornholm and the Makers Island secretariate.
- 2022-23: **How many beating hearts? Quantitative and qualitative mapping of multilocals – the new volunteers – a resource in rural district development.** Experimental project financed by Rural District Fund under the National Planning

department. Mapping will include the new volunteers on the Danish islands of Bornholm, Christiansø, Samsø and Ærø.

2016-23: **AIDA: "Agricultural Investors as Development Actors?"**. Seven-year research programme analysing international investments in agriculture and their local impacts with regards to land tenure security, water access security, employment and other dynamic effects in Uganda and Tanzania. Funded by the Consultative Research Committee for Development Research under the Ministry of Foreign Affairs of Denmark. Lead Partner: Danish Institute for International Studies.

### Completed projects (CRT)

- 2021-23 **Evaluation of "Maker's Island" initiative at Bornholm**. Mid-term and end evaluation of Bornholm's Regional Municipality support to the craft sector on Bornholm, in close collaboration with cultural institutions, education centres, makers' organizations, tourism organizations, and others. Financed by Bornholm's Regional Municipality.
- 2022 **Evaluation of the LAG and FLAG initiatives on Bornholm 2014-2020**. Evaluation at finalization of program period of the Local Action Group (Rural district and marine resources) initiatives on Bornholm. The evaluation will include a process evaluation and project evaluation of selected projects, as well as a collection of feed forwards. Financed by LAG-Bornholm.
- 2021-22 **Where Art Is – SEED**. Pilot project financed by Swedish Institute Baltic Sea Cooperation. Leading partner: Linnaeus University, School of Business and Economics, Kalmar, Sweden. Seed project for multi-year international research and development project with research institutions, arts & crafts organizations, governance- and tourism actors from multiple Baltic countries.
- 2020-21 **Agriculture and local value chains. How does new forms of land tenure and business models in agriculture contribute to rural development?** Pilot research project financed by the Rural District Fund under the Danish Business Authority, on place-effects of new owner-types and new ownership-motives in Danish agriculture.
- 2020-21 **Bæredygtigt Turismeregnskab som værktøj til udvikling af lokalmiljø**. Research project financed by the Rural District Research Fund under the Business Department regarding the development of a tourism account that includes sustainability themes. CRT in collaboration with Nordregio and Southern Danish University in close collaboration with tourism organizations.
- 2018-20 **Rural tourism in the Norden**. Participation in Nordregio project on the thematic foci and economic dynamic effects of rural tourism in the Nordic countries.
- 2019-20 **Municipal efforts to ensure development in dialogue with rural populations**. ("Kommunernes indsats for at sikre udvikling i dialog med befolkningen i landsbyer og det åbne land"). Pilot research project financed by the Rural District Fund under the Danish Business Authority.
- 2017-19 **InnoCoast: Innovation in Danish coastal tourism**. Focus on co-creation of compatible experiences, delivering research-based input, which will contribute to local enterprises experience-innovation within nature and outdoor tourism. Lead partner: Aalborg University. Financed by the Innovation Fund Denmark.
- 2017-19 **CIRTO-INNO: Circular economy tools to support innovation in tourism SMEs**. INTERREG South Baltic project. Lead partner Pomeranian Development Agency.
- 2017-18 **New voices in rural community development**. Analysis of translocal relations and networks activated through people who do not live full-time on four Nordic rural islands, but who – nevertheless - choose to engage themselves, their resources, and their networks in the development of local places and projects. Analysis includes elements of place-specific resources, mobility, multi-local engagements and belonging, network, place branding and planning. Pilot research project financed by the Rural District Fund under the Danish Business Authority.
- 2018 **World Craft Region titel som aktiv for Bornholms kunsthåndværk og turisme: Hvordan kan øen få gavn af den nye titel?** Mapping of needs and potentials in Arts

& Crafts Association Bornholm member-enterprises in relation to future use of the WCR title. Including mapping of existing marketing and branding channels and collaboration possibilities for craft enterprises, tourism enterprises including Destination Bornholm, and cultural institutions associated with arts and craft on Bornholm. Identification of ways to strengthen the visibility of the makers on Bornholm vis-à-vis the tourism sector. Financed by Bornholms Brand tourism fund. Lead partner: CRT in collaboration with Destination Bornholm and Arts & Crafts Association Bornholm.

*Completed projects outside CRT:*

- 2012-16 **Property and Citizens in Developing Societies (ProCit)**. Sub-project: Rural Environmental Enclosures. Analysis of land rights and access to agro-forestry areas in Northeast Laos in a REDD+ context (Reduction of Emissions through avoided Deforestation and forest Degradation), in collaboration with among others Faculty of Forestry, National University of Laos, and other ProCit research partners, including CDE, Bern, and UEA Norwich. Lead partner: IFRO, Copenhagen University.
- 2015 **Helhedsplan – Folkemøde og Allinge**. ‘Parallel-assignment’ for Realdania and the Bornholm Regional Municipality regarding proposals for solution of development of Allinge and Northern Bornholm in a way that provide even better frames for Folkemødet (national political festival) as well as turning it into more of a development motor for Northern Bornholm and Bornholm in general. Advisor in Team SLA in close collaboration with among others Roskilde Festival Organization.
- 2014-15 **Borgere og dialog som løftestang**: Citizens and dialogue as change-maker. Focus on the development potential among entrepreneurs and immigrants on Bornholm. Organization of crowd-funding workshop. Dissemination of alternative meeting-facilities. Support to project formulation and fundraising activities for CSOs. Client: Bornholm Regional Municipality.
- 2013-14 **Lokale ressourcer i spil**. Local resources in use. Pilot project in collaboration with Bornholm Regional Municipality, LAG-Bornholm and Bornholm Community Organizations umbrella organization, regarding the use of an appreciative inquiry approach to the work with involvement of citizens in local area development. Group process in the communities of Klemensker and Nexø involving workshops, presentations, sparring, evaluation. Financed by the Rural District Fund for experimental development projects.
- 2009-11 **“Mulighedernes land”**, “Land of possibilities”, participating in Bornholm’s team in the partner project with Realdania and three rural municipalities. Focus on the strengthening of the use of the place-bound resources; civic involvement and innovation; project formulation, fundraising and evaluation. Funded by Realdania and Bornholm Regional Municipality.
